Parking : Limited, one entrance, with fences. Contact our production department in advance for available parking space and times of arrival and departure.
The parking space is next to the loading area for both the venue and the restaurant.
It is not allowed to park any vehicles besides trucks and busses, such as private cars.

Power tourbus : We are happy to provide bus power. Power tourbus, 32A 3 phase CEE, distance 15m. Please do not use the power generator of the bus, this is in order to keep the noise to a minimum (we have neighbours).

Dressingrooms : 2 dressing rooms (one shower, 2 toilets).

Buy out : No buy-out, in-house restaurant.

Payments : In order to make payments to the artist, Paradiso needs a copy of the passports of all performing artists. For cash payment we also need a copy of the passport of the tourmanager (if applicable).

Please send scanned copies to: passports@paradiso.nl

Invoices should be sent to: invoices@paradiso.nl

Wifi : Yes, code available in dressingroom (or ask our crew).

Merchandise : Available

Specifications : <http://specs.paradiso.nl/spexparnoord.html>

Sound Pressure Level: The maximum SPL is 103 LAeq, at the F.O.H. console position.
We expect sound engineers to respect this limit.

Video : Please contact the production manager in advance. Video facilities are not included as per standard.

Runner : Runner including rental vehicle (10 hours), € 480,- ex VAT

Barrier : No in-house barrier available. To rent a barrier will cost €499,- ex VAT. Please note that there is an extra charge for setup and breakdown of barrier. The cost of renting the barrier does not include security. Capacity will be reduced by 50 persons.
Capacity will be reduced by 50 persons.

Security : Security does not automatically mean visitors are searched at the entrance. Extra security staff cost € 30,- ex VAT / hour

Confetti : Not allowed. Contact the production manager for special fx possibilities. Extra cleaning costs can be charged.
