

HOUSERIDER

Venue : Paradiso
Adress : Weteringschans 6-8 Amsterdam
Zipcode : 1017SG
Telephone : +31 (0)20 6268790
Production : production@paradiso.nl

Parking : Parking space is next to the venue: this is limited and fenced. Contact our production department in advance for available parking space, and times of arrival and departure.
It is not allowed to park any vehicles besides trucks and busses, such as private cars.

Power tourbus : We are happy to provide bus power. Please do not use the power generator of the bus, this is in order to keep the noise to a minimum (we have neighbours).
Turn off all engines as soon as possible to prevent exhaust fumes being sucked into the venues main air inlet.

Load in & out : Paradiso is situated in a residential area. Loading in and out needs to be as quiet as possible at all times. Thank you for understanding.

Timeschedule : Your showday timeschedule will be advanced by the production manager.

Dressingrooms : Availability is subject to our programming. We have 4 dressing rooms, with shower in each, in the basement, and one dressing room upstairs without shower. All have toilet facilities.

Prod. Office : One (1)

Buy-out : Paradiso has no in-house kitchen. Artists receive a standard buy-out, which can be obtained from the housemanager.

Payments : In order to make payments to the artist, Paradiso needs a copy of the passports of all performing artists. For cash payment we also need a copy of the passport of the tourmanager (if applicable).

Please send scanned copies to: passports@paradiso.nl
Invoices should be sent to: invoices@paradiso.nl

Wifi : yes, code available at reception.

Technical specs.: <https://specs.paradiso.nl>

Sound Pressure Level: The maximum SPL is 103 LAeq, at the F.O.H. console position.
We expect sound engineers to respect this limit.

- Video** : Please contact the production manager in advance. Video facilities are not included as per standard.
- Runner** : Runner including rental vehicle (10 hours), € 480,- ex VAT.
- Barrier** : No in-house barrier available. To rent a barrier will cost €499,- ex VAT. Please note that there is an extra charge for setup and breakdown of barrier. The cost of renting the barrier does not include security. Capacity will be reduced by 50 persons.
- Security** : Security at Paradiso does not automatically mean that visitors are searched at the entrance. Extra security staff will cost € 37,50 ex VAT / hour.
- Confetti** : Not allowed. Unless agreed in advance with the production manager. Please give the production manager enough notice if you wish to use confetti. Extra cleaning costs will be charged.
Any damage caused to property or equipment due to the wrong type of confetti will be charged to the responsible organisation or band.
